

Mission Statement

Brookfield School will nurture the child and foster a community of learners.

"Poipoia Kia Rere"

Nurturing students to succeed.

Tēnā koutou e te whānau,

Alert Level 2 is not life as normal. You can still go to work and school, but you must:

- keep your distance from other people in public
- wash your hands
- sneeze and cough into your elbow
- keep a track of where you've been and who you've seen
- wear a face covering if you can.

Gatherings:

No more than 100 people at gatherings, including weddings, birthdays, funerals and tangihanga.

If you or your child is unwell:

- If you're sick, stay home. Don't go to work or school. Don't socialise.
- If you have symptoms of cold or flu call your doctor or Healthline and get advice about being tested. If you have been told to self-isolate, you must do so immediately.

Free and Healthy School Lunches Term 4

A survey will be given to families next week to fill in about dietary needs for those that have allergies. It is important to get these forms back as soon as possible. If you do have a child with allergies or food intolerances, it would be good to have some feedback on options or choices.

EPR08 Competition

Angela Fear took our Brookfield Mix it Up Team to compete in this event at Tauranga Intermediate on Thursday 13th of August. The team had to perform a number of technology challenges within a timeframe. Angela said our team, Nico, Adam, Kiarn and Georgia, were extremely respectful of each other's thinking and communicated effectively. This team represented our school very well and did their absolute best. A huge thank you to Angela for coaching and transporting the team.

Working Together

When teachers and management have to sort out incidents at school we sometimes need to contact whanau. Our jobs are made so much easier when whanau support us. It might be as simple as returning missed calls from the school, or talking things through with your child and when you are sure of the facts, letting us know. Remember if you hear of an incident, contact the class teacher first.

Disco

Because of being in Level Two at the moment, and not knowing when that will change, we have decided to shift the date of the school disco to term four. We need to be in level one to be able to have the disco, as there will be more than a hundred. The new date is November 19th.

Tough Guy / Gal Challenge

The Tough Guy/Gal Challenge was a huge success. Brookfield took over 40 students who all ran the course with pride. They came back with mud everywhere and big smiles on their faces. A huge thankyou to the parent support we had on the day.

Great Writing Skills at Brookfield School

Written by Elliot Wood, Room 13

Yesterday I went to the optometrist. It turns out I read too much! She told me three things, one of them was I am not allowed to read for more than 1 hour. 2, I have to read at elbow distance. 3, I have to take eye drops in the evening and the morning. It is very annoying.
